

MŌKIHI REFORESTATION TRUST

STRATEGIC PLAN 2020 - 2022

VISION

To restore pockets of indigenous vegetation in and around Cromwell and Lake Dunstan.

MISSION

To engage, motivate and educate the greater Cromwell community in ecological restoration at various planting sites on publicly accessible land.

PURPOSE

To further the understanding and commitment to healthy ecosystems in our unique environment.

BUILD CAPACITY TO DELIVER ON OUR MISSION

Develop Hardening-off Nursery to provide base and more cost-effective plants

Maintain focus and commitment to existing planting sites and plant health

Develop new sites as resources (volunteers and funding) allow

Grow volunteer base

Grow funding streams

EDUCATION AND COMMUNITY

Increase publicity and community awareness

Engage with various community groups

Develop relationships with local schools and polytech

CONTINUE TO DEVELOP TRUST STRUCTURE

Delegation of Trustee responsibilities

Develop and follow Trust protocols

Maintain an effective and efficiently working Trust and plan for succession
